Introduction
Once again, Region One DeMolay will be using the Fraternal Events Management System for the registration of the Leadership Training Conference. All selections of courses, tracks, and known ritual parts will be all done ahead of time.

Chapters should have one Advisor handle the online registration process. As most of you and most of your DeMolays should already be in the system from past events, this process should be getting easier with each event. This tutorial has been made as an introduction as well as a refresher.

Step 1: Filing out the Forms

Before starting the LTC registration, the paper application (medical forms included) must be filled out by every attendee in your Chapter. This form will tell, in detail, which activities each attendee wants to participate in throughout the week.
Step 2: Sign Yourself Up

With registration forms in hand (available on page 2), online registration can begin. Go to the website live.fraternalevents.com and log in.

1. To create an account, click Create An Account (turn to page 4).
2. If you already have an account, click Log In (skip to page 5).
Account Creation

You have clicked Create An Account. Fill in your information for your personal account.
1. The minimum requirements are your first and last name.
2. Use the email you check most regularly, as this email address will be used to send updates and alerts.
3. Select your jurisdiction.
4. Perform the standard security measure for the website.
5. Click Create This Account and you have made your account! You must wait to be authorized to join your jurisdiction’s group. (Authorization can take up to 24 hours.) Once authorized, you will be automatically placed into your respective Chapter. Notification will be sent via email when this happens.
Step 3: Sign Up Your Chapter

You now have an account and have been registered. You must make sure that every member and advisor is in your Chapter’s group. Here’s how you check:

1. Click **Management Menu** to open the drop down.
2. Click **Manage My Organization(s)**.

1. Click on **My Group Users** to see everyone that has an account within your Chapter. Use this screen to check and make sure everyone in your Chapter has an account. Create an account for anyone that is not listed from your Chapter.
2. To create an account, click **New User**. (If everyone is listed, skip to page 7).
Create a New User

1. The minimum requirement for an account is the full name of the individual. It is recommended to complete the additional information, to create a smoother process later.

2. To give the individual access to their own account, add their email and a password. For the sake of time, click Bypass login info and leave these sections blank.
3. Once all the information has been filled in, click Create This Account.

Repeat these steps until everyone is listed in your Chapter’s group. Click Home to begin registration for LTC (turn to page 7).

Q: What kind of notes or special requests are you looking for in the Registration Notes section?
A: This section can be used to request specific rooming assignments, health concerns beyond the normal medial health release form, etc.

Q: How do I pay without a PayPal account?
A: On PayPal page there will be two options on the right; pay with a PayPal account and pay with a debit/credit card. Choose the second option and fill out the information.
